Life Drawing Class

Suitable for all, this sophisticated and practical workshop will unleash your creativity, whilst helping you hone your skills.

Kits will be posted out to all participants in advance of the event containing drawing sets, pencils, charcoals and paper pads.

Guests join our expert tutor in the virtual art studio. Beginning with a lesson, our art instructor will demonstrate how to tackle proportion, perspective, anatomy, line, gesture, shading and tone to help you achieve your very own masterpiece. You will then practise and perfect these techniques ahead of the finale - your drawing of our professional life model.

At the end of the activity, guests can then chose to show their works of art and, as an optional competitive element, we can judge a winner and send out a prize in the post.
