

Virtual Wreath Making

WREATH

MAKING

Have your guests create their own festive Copper & Blue Grey wreaths from scratch during this fully interactive workshop.

Our expert florist will demonstrate each step of the process and guide your guests through building their own handmade masterpieces, all made from sustainably sourced foliage!

We'll post out kits in advance of the event containing all the fresh materials required for the wreath making and all your guests will need is their own scissors or secateurs (we can add professional floral snips for £POA).

Guests will receive fresh moss from Wales, evergreen foliage from Sussex, glorious copper eucalyptus from Ireland as well as pinecones and a copper ribbon to hang their wreath with.

At the end of the activity, guests can present their creation to the group. Wreaths can then be proudly hung on the front door, to impress the neighbours, or used as a festive table centre decoration with a candle in the middle – perfect for the Christmas dinner table!
