# THE FLAVOUR EXPLORER EXPERIENCE

Join us for this one hour interactive personalised flavour experience and let us take you on a journey of discovery, as we baffle your taste buds and blow your senses...Perfect for bringing teams together, encouraging collaboration, exploring and learning about each other. Using taste changing powders and mind boggling experiments, you'll discover your own unique flavour profile in this interactive multi-sensory experience.

## Your box of magic

Containing over 20 multi-sensory experiments - a supertaster test, a magical milkshake powder, a flavour tripping sweet silencer, a flavour hacking experiment, plus many, many more - your flavour explorer box is the ultimate toolkit for this interactive multi-sensory experience (full list available upon request).

## Your flavour profile

Discover why you love some foods and hate others. Can a piece of music really change the way your food tastes? Can you smell inside your mouth? What does blue taste like? Should you buy your cat a cake for its birthday? All will be revealed on your personal flavour journey...

With options for groups from 5 to 500 + in the UK and across the world, this will be an experience your teams will not forget!
