Cocktail WORKSHOP

Mix it up with this fully interactive session which encourages teams to battle it out behind our stylishly sophisticated mobile cocktail bar. With detailed instruction from our award winning cocktail flair bartenders, be prepared for some serious fun while you learn how to prepare to perfection some of the world's favourite cocktails; and serve them with style!

With this fun and inspired workshop you will learn to make 3 classic cocktails using 3 different procedures. Whilst making each cocktail these techniques will be showcased to help you become a world class mixologist.

LIQUOR KNOWLEDGE - Learn which spirits go well together, and where spirits / liquors come from.

FLAIRING (BOTTLE JUGGLING) - After a demonstration from one of our expert bartenders you'll be invited to try your hand at this entertaining art. (Bounce mats and plastic bottles provided!)

PROCEDURE - In teams you'll be shown the particulars of producing classic cocktails.

FRONT BAR SKILLS - You'll be taught service skills, including pouring cocktails with flair!

THE FINALE - Nearing the end of the session, teams will be asked to design a cocktail with a suitable name, incorporating all skills learned in the workshop... including flairing! You'll then be invited up to the bar to present your creation to the other teams and trainers.
