## WORKSHOP

Conjure up a truly magical day and learn secrets from the Magic Circle in this workshop that is more than what it seems!

Led by a professional Magic Circle magician, our fun and exciting team building workshop will take you through a brief history of magic. Then you will be taught a repertoire of carefully crafted magic tricks which everyone will be able to perform by the end of the session.

Alongside the trickery, this activity is much more than magic – shown from a different perspective, you will learn universal principles and skills:

- Creative thinking and problem solving.
- How to break the ice at meetings.
- How to connect with your audience.
- Making your message memorable.
- Delivering a powerful performance.

Perfect for a conference energiser, ice breaker or away day, you will be able to entertain your colleagues, friends and family with what you have learned, as well as being more confident in your own abilities.

### Itinerary includes:

- Introduction, magic show and brief history of magic.
- Learning magic tricks (guests will also be giving some tricks to take home).
- If time allows, groups can select a 'winner' for their group who goes head-to-head against other group winners . Find out who is the most magical team member.
